

Dear caucus attendees:

Thank you for participating in this important process-the first step in ultimately selecting delegates to the GOP state endorsing convention. My wife Janet and I know what it is like to leave your house on the first Tuesday in February to attend a precinct caucus because we have done so more times than we can count.

My name is Ron Schutz.

I grew up on a dairy farm in Southwest Minnesota. I'm a veteran, having served four years in the US Army Judge Advocate General's Corps. I have been recognized as one of the top lawyers in the country and from 2019 -2024 served as Chair of a 200-lawyer law firm.

I am a trusted leader, a proven fighter, and I am ready to fight for the citizens of Minnesota.

I'm running to be the next Attorney General of Minnesota because Minnesota deserves to have a real lawyer as its Attorney General and not a left wing politician who is soft on crime, who has turned a blind eye to the massive fraud that permeates our one party controlled State government, who is a charter member of the anti-police movement, and who thinks it is just fine if biological males play on girls sports teams.

Our state has seen billions of your taxpayer dollars wasted by fraudsters and unaccountability in our highest state offices. We have rampant crime on our streets and disrespect for law enforcement. When I am elected, I will work to change that, dedicating resources to fight real problems facing Minnesotans. I'll support our police and fight to return fairness to girls sports.

Again, thank you for getting involved in this important process.
